CONTACT: Mark Anthony, Public Information, 614-794-0213

FCEM&HS WILL NOT TEST OUTDOOR SIRENS TODAY

To avoid confusing or alarming the public, Franklin County Emergency Management and Homeland Security will not conduct its weekly test today of the county's outdoor warning siren system, according to the agency's director, Michael R. Pannell. The National Weather Service did not conduct its weekly test of the Emergency Alert System (EAS) because the area is under a high wind warning today.

For more information, please call FCEM&HS at 614-794-0213.
